My favourite place

I'm Ginny. I live in a big city, but my favourite place is a small town two hours from my house. It's called Aubrey and my grandparents live there. I

visit them about once a month and we do lots of things together. For

example, there are two nice parks in the town. We often walk there in the afternoons.

My grandmother likes to cook, but my grandfather enjoys restaurants.

There is a great Italian restaurant in Aubrey – we usually go there on Friday evenings. My grandfather also likes Japanese food.

It's easy to live in Aubrey because there are many good places in the town.

There is a big supermarket, two shopping centres, a post office and a bank. There aren't any swimming pools, but that's OK because you can swim in the river!
